Registering Online for Speed Skating!!

This is new for 2015-2016 but is very important. All skaters and volunteers must register *themselves*.

Step One: Create an account

Once you've received the email, "click here" to go to the registration website.

Fill out ALL information. At the bottom, you will be asked to create a **user name** and password for every skater that you register. Please select one that you will remember – I don't know how to reset this!! I recommed a simple username such as firstlast such as CharlieSmith and maybe the same password for the whole family.

Step Two: Join a program.

Look for the heading "join" across the top of the page, and click on it.

For mostly everyone, you only need to worry about joining a program. (Join a role is for coaches, board members, officials and special volunteers who have to do BOTH steps.)

And select "BC" and "Fort St. John Recreation & Speed Skating Club".

Then select the appropriate program from the list (ex: Group 1, 2, 3 or Associate) and click "Join"

Once that is done then I have to go through and activate your account, at that time you will receive another email. When everything is sorted out and I get a chance to record all of your payments you will then receive a receipt. (It may take me a few weeks to get the receipts out).

We **do not** have online payments yet. All payments are made by cheque through the registrar (Susie Keeler).
